Quattro Colours™ is a simple and versatile range of ceramic tiles in a choice of colours, sizes, textures and finishes that has been designed to provide tiling solutions for a wide variety of projects.

Offering a choice palette of colours at fantastic value for money, the Quattro Colours™ range encompasses a spread of hues from cooling marines and calming greys, to mellow beiges and crisp whites, as well as darker tones to add definition.

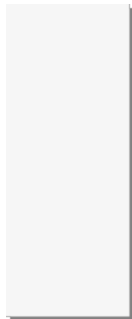

Incorporated into the Quattro Colours™ range is a broad selection of glazed white ceramic tiles in a variety of sizes from 15x15cm up to 30x60cm. Available in a choice of finishes including gloss or satin, flat or bumpy, they can be used to create a crisp, clean look. Complementing the range of white tiles is a collection of printed decors and borders plus a colourful spectrum of glass strips, to accent any environment with a splash of vibrancy.
